To The Secretary to the Government of Madras,
Local Self Government Department.

Through
Sir, The President, District Board, South Kanara

I have the honour to submit for favour of --- orders the travelling allowance bill amounting to -- Rs 250-2-0 of the Civil Assistant Surgeon Mr. K. M. Mathew for his journey from Puttur to Madras and to state as follows:-

2. The Officer in question who was in charge of the Local Fund Hospital at Puttur was, under the ---- orders of tne Surgeon General, suddenly transferred in March last to the Government General Hospital, Madras, and Civil Assistant Surgeon Captain U. ---- Ananthaya was posted here to take his place. The travelling allowance amounting to Rs 240-7-0 of the

latter Officer for his journey from Madras to Puttur was paid from the funds of this Taluk Board, while that of the former had been met from the Provincial Funds. But the Accountant General has, in his objection statement No G. A. 28 for May 1921 dated 17-8-21, objected to this --- payment and has ordered the refund of the amount, requiring that it should be borne by local funds as required by article 758 of the Civil Service Regulations.

p. 5 infra

3. The resources of this Taluk Board, which has -- come into existence since October 1920 in consequence of the bifurcation of the late Puttur Taluk Board, being --- quite limited, are insufficient even to meet the ------ recurring annual expenditure, so much so, that in the --- current year's budget there is a deficit of Rs 18,885 -- which the District Board has to make good, and it is a -- question whether the District Board will be able to do so without substantial aid being granted by Government.

4. Rule 80(xv) of the Local Boards Manual enjoins on the Surgeon General to consult the Presidents of District Boards before posting medical subordinates under local -- boards. But I regret to have to say that, unfortunately the Rule is honoured more in the breach than in its ---- observance, inasmuchas the Surgeon General does not appear to have consulted the President of the District Board not only in this particular case but also in several other -- cases of the kind. It does not stand to reason that this Taluk Board should be forced to bear a sum of Rs 490/- -- towards the transfer of Officers effected without ---- consulting it and which has not benefited it in any way. It is practically impossible for this poor Board in its present straitened financial condition to bear such a -- heavy item of expenditure as the above.

p. 33 of the manual

5. I have, therefore, the honour to request that Government will, on a kind consideration of the above --- facts, be pleased not only to set aside the order of the Accountant General to the effect that the aforesaid ---- travelling allowance should be borne by this Board but --

also to direct that, in future at least, no postings or transfers of medical subordinates employed under Local Boards be ordered, without previously consulting the Boards concerned, especially in view of the hardship caused by the rule in article 758 of the Civil Service Regulations on such poor Boards as this.

I have the honour to be,

Sir,

Your most obedient servant,

B Ramachandra Rao 12/10

Forwarded to Government.

2. I support the Taluk Board President's contention that the travelling allowance of Civil Assistant Surgeon K.M. Mathew should be borne by Government. Neither the Taluk ---- Board nor the District Board is able under ~~their~~ its present -- financial condition to bear the cost.

3. As far as I remember I was never consulted even once-- by the Surgeon-General as required by Instruction 80 of the Local Boards Manual when posting medical subordinates to this district.
